# ABOUT US

Digital marketing is the component of marketing that uses the Internet and online-based digital technologies such as desktop computers, mobile phones, and other digital media and platforms to promote products and services. Digital marketing, also known as online marketing, is the use of digital channels to promote brands and connect with customers. It includes email, social media, and web-based advertising. Yes, digital marketing is generally considered a good career choice due to its high demand across industries, diverse skillset requirements, flexibility in work options, and the rapidly evolving nature of the field, making it a dynamic and potentially rewarding career path for many individuals.

# MISSION AND VISION

## MISSION

The Indian Government launched the Digital India campaign to make government services available to citizens electronically by online infrastructure improvement and also by enhancing internet connectivity. It also aims to empower the country digitally in the domain of technology.

## VISION

The vision of Digital India is to transform the country into a digitally empowered society and knowledge economy. It would ensure that government services are available to citizens electronically. |

# WHAT IS DIGITAL MARKETING

Digital marketing, also known as online marketing, is the use of the internet and other digital channels to promote brands and connect with customers. It includes creating and sharing content on websites, social media, and other digital media.
